Your SolePath is your sub-conscious self, and it is the reason you behave the way that you do. Your SolePath governs your behaviour and regulates your response to everything that impacts your life.

Your SolePath is a braid of two LightPaths and one DarkPath and your DarkPath is Charismatic Adventurer.

Here's how it works ...

Your Charismatic Adventurer DarkPath is entwined with two LightPaths.  
Your LightPaths reveal your special, individual and completely unique gifts;  
and your DarkPath is your place of personal growth.

#### **Charismatic Category DarkPath**

We are complex Beings aren't we and it is never more fully seen than in the role that your DarkPath Category plays in your life. On the one hand, there is so much about being a Charismatic that serves you – you are after all one of the world's 'sparkle' people – and on the other hand there is so much about being a dark Charismatic that trips you up.

When you are living your Charismatic Category from a place of collapsed energy, the overall negative attitude is Selfishness and a sense that it really is only about you.

You could easily delight us and light up our world, or use your big energy to shut out the light – even with the full knowing of what the impact is on those around you. You could use your incredible outgoing sensing and perception to amuse and enchant us, or to justify aggressive behaviour towards others.

Yet, when you are experiencing your Charismatic Category from a place of expanded energy, you contribute to our world with your sparkle, your light and your energy. You are fun and just make us all feel good.

### Adventurer DarkPath

The Core Energy for the dark Charismatic Adventurer is being a risktaker and gambler. Taking unnecessary risks, whatever the impact on others, whether it be for your safety, your health, in your selection of love partners, or even risking what others have.

#### Easy Tools for transforming your Charismatic Adventurer DarkPath:

The biggest awareness that you can have is to identify whether you are responding to people and situations from your LightPaths or your DarkPath. Thankfully, it is quite simple – ANY negative reaction, thought or emotion is coming from a place of energetic collapse, and this is your Charismatic Adventurer DarkPath.

1. Use your LightPath 'I Am' statements, whenever you feel bad or are thinking bad thoughts. This will help you respond to the situation from your expanded energy.  
State: I Am a (Category) ~ (SolePath) from either your Joyful or Progression SolePaths, whichever one feels right for the situation.
2. **Antidote:** As a dark Charismatic Adventurer your unhealthy need is to seek an excitement 'fix' and you often feel that taking risks is better than stillness. Your Antidote is to stop, look and listen, to be cautious and consider the impact of your actions and behaviour on yourself and on others.
3. On SolePath.org, take a look at the LightPath Charismatic Category and listen to the Adventurer DarkPath audio summary.
