What is the mission for the SolePath?

The SolePath mission is to guide and support changes in community interactions and relationships for the benefit of us all.

"In a real sense all life is inter-related. All (people) are caught in an inescapable network of mutuality, tied in a single garment of destiny. Whatever affects one directly, affects all indirectly. I can never be what I ought to be until you are what you ought to be, and you can never be what you ought to be until I am what I ought to be... This is the inter-related structure of reality." Martin Luther King Jr.
